

Abhedya_Tech Technical Round Challenges

Task

You have to solve the below challenges and create a proper report of your findings and approach showing how you solved these challenges with supportive proof of concept (POC) in the form of screenshots. Save your report in PDF format. Upload it in your drive and share the drive link in this form:

Submission form: <https://forms.gle/Y16HW66VWQI6WvZx6>

Web:

1. Finder: [http:// 164.52.211.11:8006/](http://164.52.211.11:8006/)
2. B64: [http:// 164.52.211.11:8001/](http://164.52.211.11:8001/)
3. Alert-box: [http:// 164.52.211.11:9007/](http://164.52.211.11:9007/)
4. Find_me: [http:// 164.52.211.11:8007/](http://164.52.211.11:8007/)
5. Directory: [http:// 164.52.211.11:9009/](http://164.52.211.11:9009/)
6. Inspect_me: <http://164.52.211.11:9001/>

Reverse:

1. Challenge 1
